

### TCI<sup>®</sup> SFI 29.2 Flexplates for GM LT1/LT4 Applications

Ashland, MS – New one-piece flexplates from TCI<sup>®</sup> offer heavy-duty strength with less weight for high-RPM GM LT1 and LT4 applications.

Available in standard and lightweight versions, the TCI<sup>®</sup> SFI 29.2-certified flexplates are made from 4140 forged steel and feature a hobbed-on ring gear and robotic tig-welded converter spacers. Gas nitriding provides for extra surface hardness and strength, while E-coating offers corrosion protection. CNC-milled pockets and lightening holes reduce the flexplate's rotating mass and drop overall weight — to 6.09 pounds for the lightweight version and 7.6 pounds for standard.

Built to withstand 12,000-plus RPM, the flexplates are heavy-duty OEM replacements that accept six-bolt LT1 and LT4 converters.

#### Quick Facts

**Product:** TCI<sup>®</sup> SFI 29.2 Flexplates for GM LT1/LT4 Applications

**Part Number:** #399860LW (Lightweight); #399860 (Standard)

**Street Price:** \$375 - \$414

**Social Media Pitch:** TCI<sup>®</sup> SFI 29.2 Flexplates for GM LT1/LT4 applications offer heavy-duty strength up to 12,000 RPM with less weight

#### **Features & Benefits:**

- SFI 29.2 certified
- CNC-milled pockets and lightening holes reduce rotating mass & overall weight
- Feature hobbed-on ring gear and robotic tig-welded converter spacers
- Lightweight version is 6.09 pounds, while Standard version is 7.6 pounds

#### **About TCI<sup>®</sup>**

When TCI<sup>®</sup> opened its doors in 1968, it was a modest operation dedicated to delivering high performance transmission-related parts to a small group of drag racers. From those humble beginnings in Memphis, TN, TCI<sup>®</sup> has grown to be one of the largest and most technologically advanced manufacturers of high performance aftermarket drivetrain products. Now located in Ashland, MS, some 45 miles from parent company the COMP Performance Group<sup>™</sup>, TCI<sup>®</sup> continues to set trends and expand its line of quality transmission, torque converter and accessory parts.
